

B.S. ACCOUNTING

School of Business and Communication

Accounting is certainly a timeless profession, but it's also one that's evolving and adapting rapidly. Chaminade's accounting major is designed to prepare you for new challenges and new opportunities, offering a rock-solid foundation of coursework, an ethical framework and a thorough understanding of developments and trends in the profession.

HANDS-ON EXPERIENCES

- Participate in one of our numerous internships to gain real-world experience
- Volunteer your time to help low-income clients complete their taxes through our tax clinics
- Help underserved communities complete the Free Application for Federal Student Aid (FAFSA) and gain access to higher education through our FAFSA program
- Partner with a professor to conduct research, and then travel to a conference to present your findings

REAL-WORLD SKILLS

When you graduate with a B.S. in Accounting from Chaminade, you'll have a thorough understanding of:

- Legal and ethical responsibilities of professional accountants
- Concepts, methods and processes that ensure accuracy and integrity of financial data and the safeguarding of business assets
- Taxation and the impact it has on decision-making
- Concepts, principles and procedures of auditing and attestation services
- The Generally Accepted Accounting Principles and their application to business situations
- The preparation, interpretation, evaluation and use of financial information for business decision making

FOUR-YEAR GRADUATION GUARANTEE*
