2020 Fall Undergraduate Online & Military Program Schedule

All Undergraduate Online & Military Students using Army Tuition Assistance (Army TA) must submit any changes that occur after registration, including add/drop or withdrawals that have been made through the Chaminade portal or with an academic advisor. It is important that these requests and changes in registration, add/drop, or withdrawals go through the GoArmyEd website (<https://www.goarmyed.com/>). Please note the following critical information: Online & Military Base Undergraduate students must request Army TA by the Thursday prior to the start of the term. The GoArmyEd (GAE) system is set-up to process requests in the Eastern Standard time zone (EST). Requests made by students in the Hawaii Standard time zone (HST) must be made by 11 a.m. HST in order for their request to be processed that day in GAE by 5 p.m. EST.

Withdrawals

When a student officially withdraws from a course (through the Records Office), whether or not the student attends class, a refund of tuition will be made in accordance with the following:

Withdrawal Period	Deadline (4:30pm, HST)	Tuition Refund
Withdrawal prior to the first day of instruction	Sunday, October 4, 2020	100%
Withdrawal during Add/Drop Period	Tuesday, October 13, 2020	100%
Withdrawal during the second week of instruction	Friday, October 16, 2020	25%
Withdrawal No Record (will not appear on transcript)	Wednesday, October 21, 2020	No Refund
Last Day to Withdraw	Monday, November 23, 2020	No Refund

**All fees and costs outside of tuition are non-refundable once the term begins.*

Only when the student presents written evidence such as military orders, a doctor's statement, or other reasonable justifying documentation for post-deadline withdrawal will the request be approved. Withdrawal forms may be obtained from an advisor at the various sites. Online & Military Base students may withdraw without record until the Wednesday of Week 3 of a 10-week term. In the case of undergraduate courses of other lengths, the last date of withdrawal will be set at the corresponding point of the term, which occurs when the course is approximately 25% complete. Withdrawal from a course after the last day of withdrawal without record will be noted as a W on a student's transcript.

Instructors may withdraw students who miss two consecutive weeks of class, prior to the withdrawal deadline. Withdrawals are only effective for tuition refunds when initiated by the student during the refund period and in accordance with the appropriate refund schedule. The student must obtain written
